Postavka radnog okruženja

Uključivanje Hyper-V

Kliknite na dugme Windows kako biste otvorili Start meni.

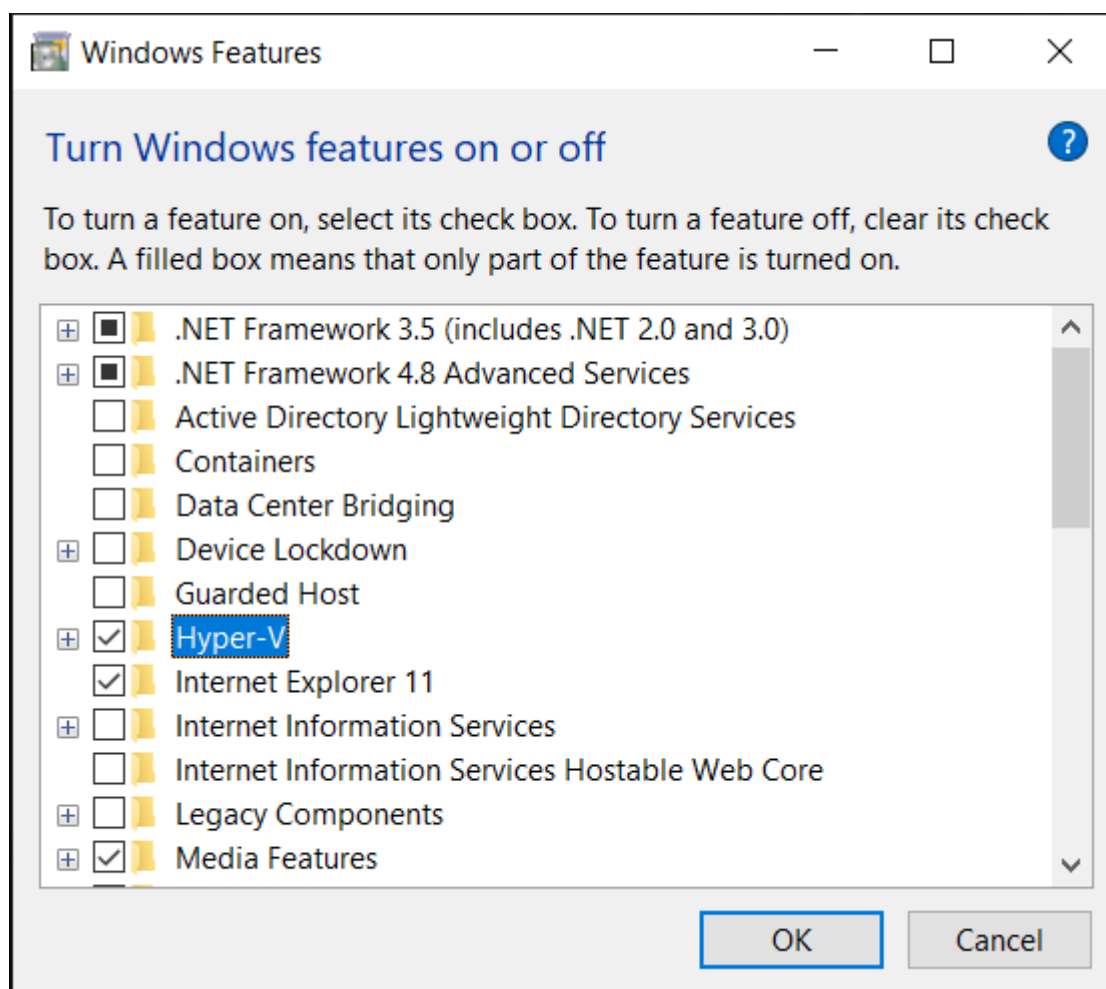

Počnite da kucate: turn windows features on or off.

Pritinite Enter.

Čekirajte polje Hyper-V i kliknite na dugme OK.

Kada se instalacija završi, biće zatraženo da ponovo pokrenete računar.

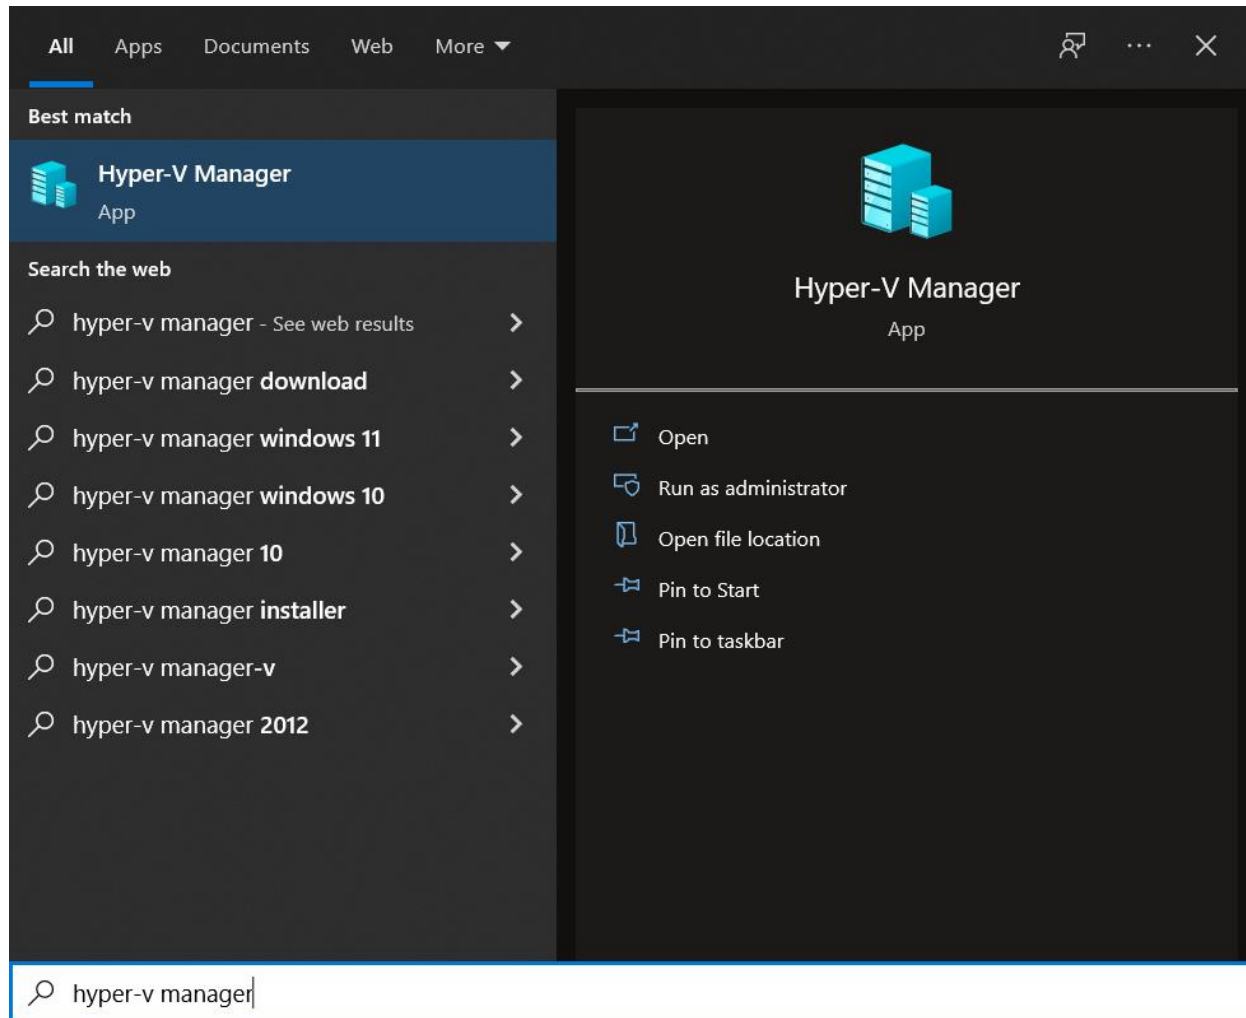

Nakon ponovnog pokretanja računara Hyper-V će biti omogućen.

Pokretanje virtualne mašine

Kliknite na dugme Windows kako biste otvorili Start meni.

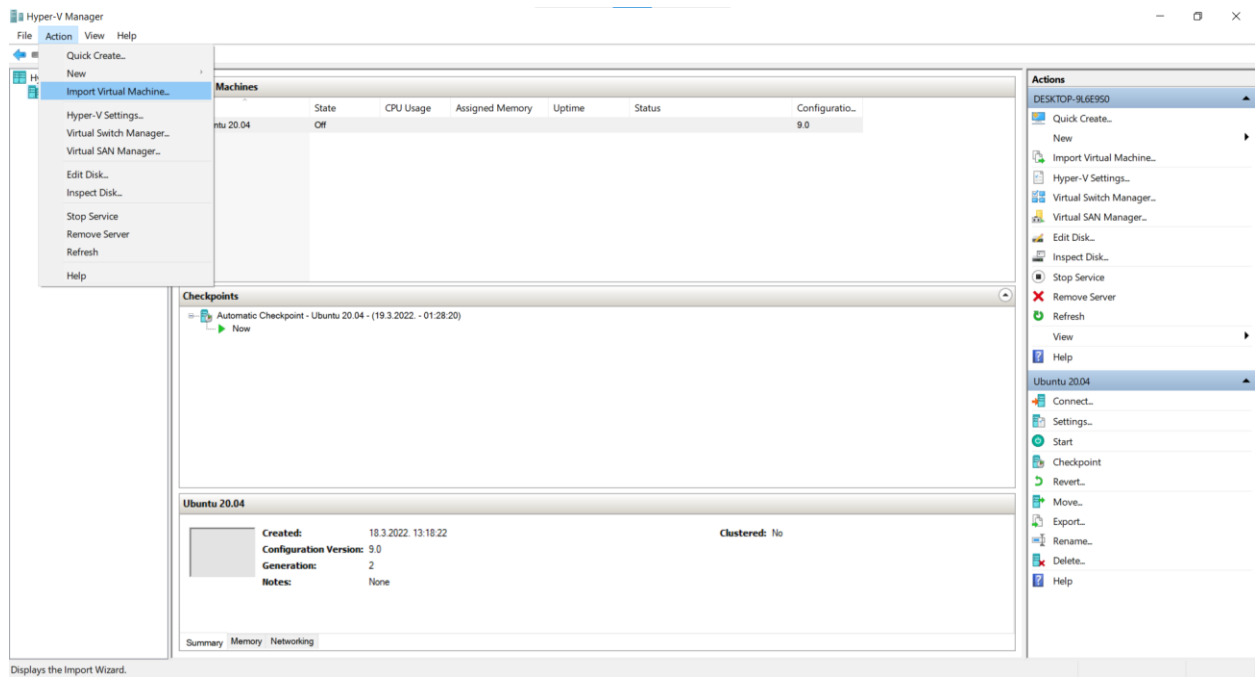

Počnite da kucate: hyper-v manager.

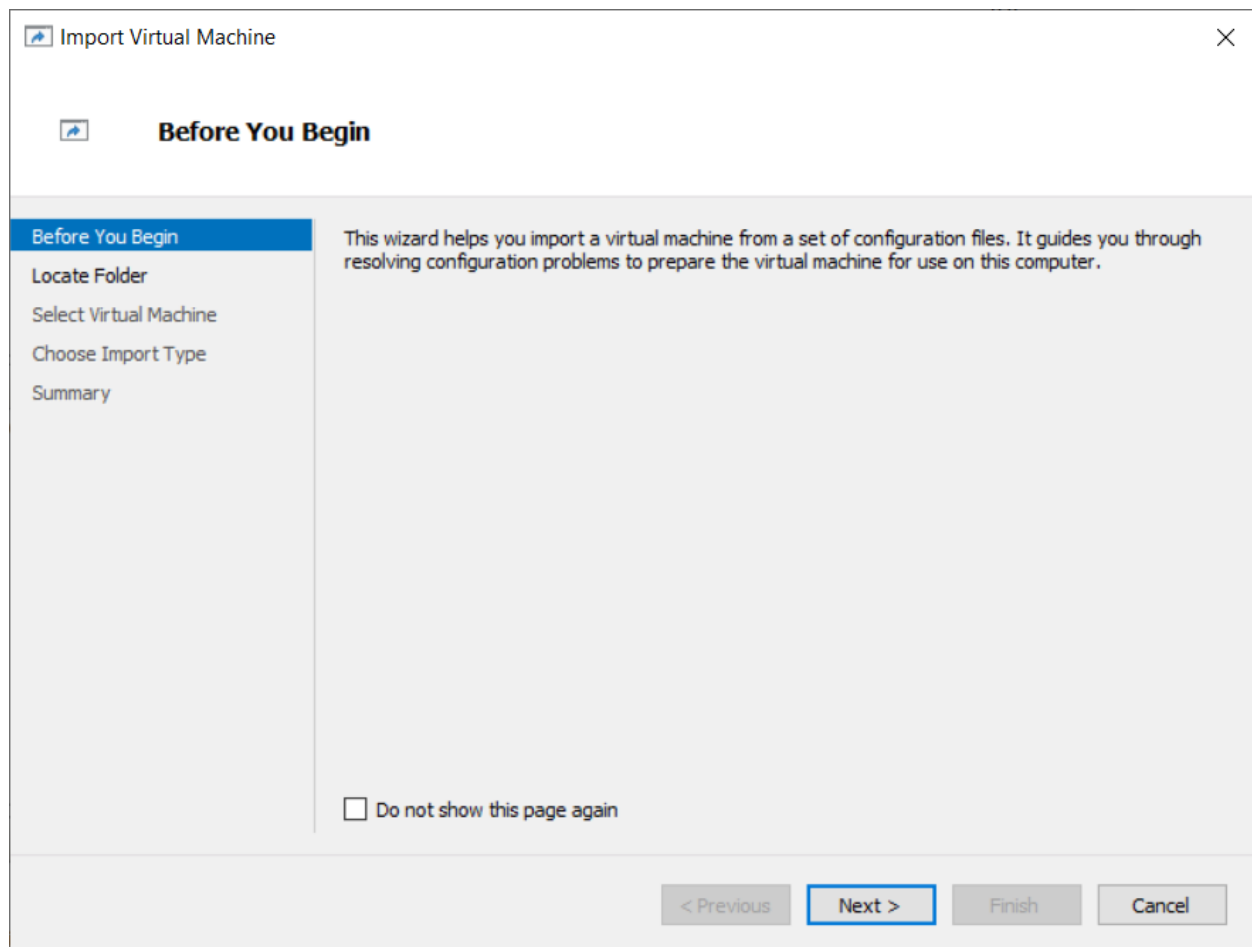

Pritisnite Enter.

Iz menija Action izaberite Import Virtual Machine...

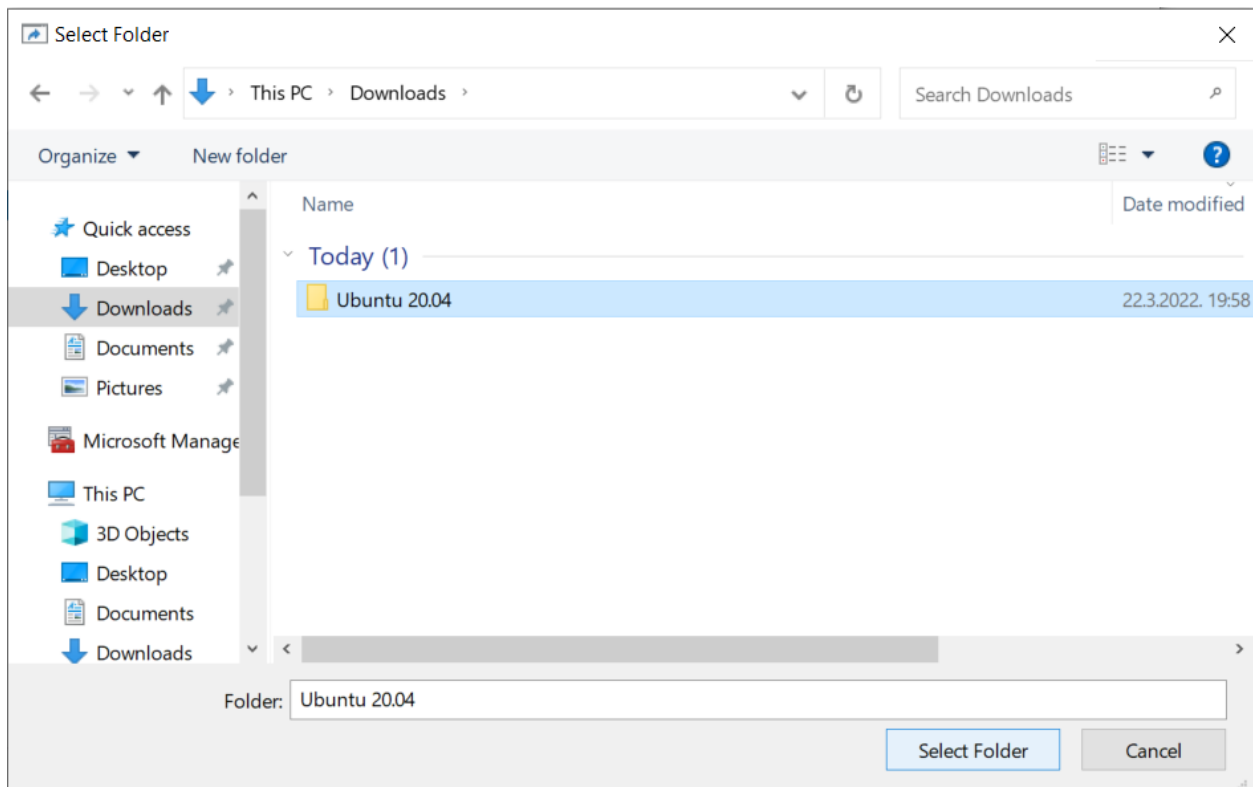

Kliknite na dugme Next.

Kliknite na dugme Browse... pa pronađite i izaberite folder koji ste preuzeli, a zatim kliknite na Select Folder.

The screenshot shows a Windows-style dialog box titled "Import Virtual Machine" with a close button (X) in the top right corner. Below the title bar, there is a sub-header "Locate Folder" with a folder icon. On the left side, a vertical list of steps is shown: "Before You Begin", "Locate Folder" (highlighted in blue), "Select Virtual Machine", "Choose Import Type", and "Summary". The main area of the dialog contains the instruction "Specify the folder containing the virtual machine to import." followed by a label "Folder:" and an empty text input field. To the right of the input field is a blue button labeled "Browse...". At the bottom of the dialog, there are four buttons: "< Previous", "Next >", "Finish", and "Cancel".

Kliknite na dugme Next.

Cancel

Izaberite tip importa Register the virtual machine in-place, a zatim kliknite na dugme Next.

The screenshot shows a Windows-style dialog box titled 'Import Virtual Machine'. On the left is a vertical sidebar with five steps: 'Before You Begin', 'Locate Folder', 'Select Virtual Machine', 'Choose Import Type' (which is highlighted with a blue background), and 'Summary'. The main area of the dialog is titled 'Choose Import Type' and contains the instruction 'Choose the type of import to perform:'. Below this instruction are three radio button options: 'Register the virtual machine in-place (use the existing unique ID)' (which is selected), 'Restore the virtual machine (use the existing unique ID)', and 'Copy the virtual machine (create a new unique ID)'. At the bottom right of the dialog are four buttons: '< Previous', 'Next >' (which has a blue border), 'Finish', and 'Cancel'.

Import Virtual Machine

Choose Import Type
